

Sanctified Souls RC

Hurricane Dorian Relief Drive

As you all may know, the devastation caused by Hurricane Dorian has been astronomical to say the least. Homes leveled. Lives lost. Millions, if not billions, of dollars in damages. This one hits very close to home for the Sanctified Souls RC. The Souls have family members that were directly in Dorian's path. Reports have stated that many homes have significant damage. Supplies are already terribly low. With that being said, the Sanctified Souls have jumped into action and would like to host a supply drive to aid in the efforts of those who need it the most. Below is a list of the items that are needed the most. Together, we all can help make a difference and show those that are affected that they are not alone during this tragic time.

High Priority Needs – Tarps, new generators, new chainsaws, handheld radios, bug repellent, mosquito netting, new air mattresses, warm clothes, new fans

Hygiene needs - Baby wipes, shampoo, deodorant, toothpaste, toothbrushes, diapers, soap, tampons/pads, hair ties, sunscreen

Relief Needs – Heavy duty work gloves, solar camping lamps, light blankets, batteries, water purification tablets/kits, reverse osmosis kits, new submersible pumps, new gas cans, extension cords, can openers, soft coolers, canned goods, non-perishable foods, flashlights, portable burner stoves, propane cans, garbage bags, first aid items, baby formula, plastic storage bins.

The Town of Schererville Town Hall, 10 E. Joliet St., is a designated drop off location for the Hurricane Dorian Relief Drive. Please leave any donations in the Community Room.

Pick-up date for donations is September 27th, so please bring any prior to that date.
