* **THEFT** – Officers spoke to the owner of 7311 Mallard Lane and he advised that his aluminum can rack was taken from the back of the business by a scrapper. An eyewitness working on the roof yelled at the scrapper and the scrapper fled in a white ford pickup truck. The truck was loaded with other scrape metals. The back of the business had multiple metal items next to the garage bins that were not taken at the time of this report.

* **Suspicious Person** - I was dispatched to PRAIRIE ROSE DR in reference to kids ringing the door bell and running away. I arrived and spoke to the R/P who advised kids in the neighborhood keep ringing her doorbell and running away. The R/P advised she has motion lights on order and cannot get Internet at her home to utilize a Ring Doorbell camera system. I advised the R/P to attempt to get a photograph of the juveniles that are ringing her doorbell in a effort to identify the persons involved.

* **Suspicious Person** – Emerson Ct.
Complainant came to the PD to report that his house and vehicle were egged sometime overnight. Complainant stated that a couple of weeks ago his house was tee-peed and had tampons thrown at his residence. Complainant has not been home yet to see the damage and was advised to wash the egg off as soon as possible.

* **Reckless Driver** - I was dispatched to Bell St. for a Fedex truck that was not stopping at stop signs in the neighborhood. I made contact with the truck and spoke to the driver who stated that she in fact did not make a complete stop and then was approached by a resident of the neighborhood who followed her for a block or so. The driver told me that she was running late on her route. I told the driver that she would need to make correct stops at stop signs. Suspicious Incident – Willowbrook Dr. I was dispatched to the above address in reference to an information report. Upon arrival, I was met by the complainant who advised that his garage door had two new dents in it, possibly from the night prior. The complainant advised that he located several light colored rocks on his driveway. The complainant advised that he checked his security camera for any video footage, but all his camera caught was audio. On the audio the complainant could hear kids talking loudly around 01:30 in the morning. Also, two loud bangs are heard, resembling the sound of rocks hitting the garage door.

Ordinance of the Week:

Sec. 6-118 Yard Waste Regulations.

a. **Yard Waste** is defined as compostable organic waste resulting from the maintenance of lawns, gardens, landscaping and trees which include grass clippings, tree branches and leaves.

(Ord. No. 1291, § 1, 10-12-94)

b. Commencing October 1, 1994, and thereafter, yard waste must be collected for disposal by the Town through its waste disposal contractor only if it is properly packaged. Proper packaging of yard waste shall be accomplished in the following proscribed manner:

Yard waste must not be co-mingled with other forms of garbage, refuse or rubbish or waste product and must be packaged in one of the following acceptable methods:

1. Loosely, in molded plastic or metal trash containers with a capacity of not less than twenty (20) gallons not more than thirty-two (32) gallons; or
2. In biodegradable Kraft paper bags; or
3. If yard waste is sticks and branches, such yard waste must be securely bundled into packages not exceeding two (2) cubic yards in size, and cut into lengths not exceeding four (4) feet.

(Ord. No. 1291, § 2, 10-12-94)

c. Proper packaging of yard waste further requires that each yard waste package must have a specially designated sticker affixed to it. The designated stickers are available for purchase by the citizens of Schererville at a cost of one dollar and twenty-five cents (\$1.25) each through the Town of Schererville's Clerk-Treasurer's Office.

(Ord. No. 1291, § 3, 10-12-94)

d. Any yard waste not properly packaged and bearing the required sticker will not be collected by the Town or its waste disposal contractor; such improperly packaged yard waste shall be tagged with a red sticker by the Town's waste disposal contractor.

Further, that any provisions stated elsewhere in any other ordinance(s) which are inconsistent with the terms and provisions of this ordinance as it pertains to yard waste disposal collection and fees, are deemed null and void.

That if any provision of this ordinance shall be held to be invalid or unconstitutional by any Court of competent jurisdiction, such decision shall not affect any other provision of this ordinance.
