REPORTS

* **Open garage doors found on the following streets:**
Lily Ln., Lakewood Ln., Dove Dr., Mount Dr., Lincolnwood Rd., Hwy 330, Pershing Ct., Turin Dr., Coffman Dr., Sir Gawaine Dr., Springvale Dr., Burr St., Prairie Rose Dr., Slager Dr., Bemis Heights Ave., Venice Dr., Hilbrich Dr., Christy Ln.,

* **SUSPICIOUS INCIDENT** – Homan Dr., Complainant advised Someone tried breaking into his home, as seen on video. After obtaining the registration of the vehicle that was involved, I had Hobart PD go to the registered owners residence and got the name and number of the male that was driving the truck today. I spoke with the suspicious person, who explained to me that his cousin recently purchased a home on Homan Drive, and that he was painting the home for them. He thought he wrote down the Homan Drive address. Once he realized that the keys he was given did not work, and looked into the back window and saw the house was obviously being lived in, he called his cousin and learned that he was at the wrong house.

* **ORDINANCE VIOLATION** - Officers were dispatched to the area of KEENLAND WAY & CHURCHILL DR in reference to an off-road vehicle being driven on the roadway. The dirt bike was located and the driver stated he was warming up the engine after it was sitting all winter because he was going on a trip tomorrow. Officers told him the vehicle could not be driven on the roadways and he parked it up for the day.

30% of people report dozing off behind the wheel

Driving on **4-5 hours** of sleep means you are four times more likely to crash

6,400 people die from drowsy driving crashes each year

Losing two hours of sleep is similar to having **3 beers**

The infographic includes illustrations of a car with a 'DROWSY' license plate, a car crash, a person with a cast and crutches, a blue car, a Schererville Police badge, and three beer mugs.
