As a recipient of federal funds, the Indiana Department of Transportation (INDOT) is requiring local agencies to develop a procedure for gathering statistical data regarding participants and beneficiaries of its federal-aid highway programs and activities (23 CRF §200.9(b)(4)). The Town of Schererville is distributing this voluntary survey to fulfill that requirement to gather information about the populations affected by proposed projects.

Please note: Responding to these questions is strictly voluntary and those who respond will remain anonymous. This form is a public document that the Town of Schererville will use to monitor its programs and activities for compliance with Title VI the Civil Rights Act of 1964. If you have questions please contact the Title VI Coordinator.
