2026 Stormwater workshop

The annual 2026 stormwater workshop for contractors, inspectors, MS4's and engineers will be held on Tuesday, February 17, 2026 from 8:00 am-1:30 pm at the Dean and Barbara White Center located at 6600 Broadway in Merrillville, Indiana.

This workshop is free of charge.

The purpose of the workshop is to educate individuals on topics related to storm water management along with stormwater regulations and compliance within the MS4 and with the Indiana Department of Environmental Management (IDEM).

The workshop will cover the following:

- Stormwater pollution prevention plans (SWPPP)
- Erosion and sediment control practices
- Site inspections protocols
- Common compliance to avoid violations
- Updates on regulatory changes

The Town of Schererville MS4 highly recommends that contractors, inspectors, and engineers attend this training opportunity.

We look forward to seeing you attend this event. If any further information is needed, please reach out to Chad Nondorf, Director of Public Works for the Town of Schererville at 219-322-6688 or via email at cnondorf@schererville.org.
