## *Celebrate 'National Night Out' at Redar Park*

**REDAR PARK**  
**217 GREGORY ST**

**AUGUST 5, 2025**

**CONTACT CPL ADAM BIELLA FOR  
SPONSORSHIP INFORMATION**

Join the Schererville Police Department for the 18th annual National Night Out Against Crime campaign from 5 to 9 p.m. on Tuesday, August 5 at Redar Park, 217 Gregory St.

"This event is designed to bring residents, business owners, organization members and community leaders together with law enforcement for the purpose of promoting crime prevention awareness and strengthening neighborhood spirit," said Schererville Police Chief Peter Sormaz. "It is a way for the community to come together to celebrate its resolve to reduce crime."

This year the Schererville Police Department is also seeking donations to pay for a new police-themed bouncy house that kids can enjoy at the event.

"We are asking for our local businesses and organizations to help with a monetary donation that will go towards purchase of a new bouncy house for the children," Chief Sormaz said. "Please mail donations to Cpl Adam Biella, c/o Schererville Police Department, 25 E. Joliet St., Schererville, IN 46375. In the memo line of your check, please note that this is for the 2025 NNO Donation."

In addition, the Schererville Police Department is looking for participants who would like to promote their businesses by hosting a kid's game booth with giveaway prizes, or businesses to display their security or safety products for public awareness.

"For example, the safety and security products businesses sell include locks, security doors, home and vehicle security systems, outdoor lighting, motion detectors and timers, monitoring systems and GPS phone systems," Chief Sormaz said.

Those who want to sponsor the event, have a booth or make a product donation should fill out the application available at [https://www.schererville.org/egov/documents/1743542142\\_80595.pdf](https://www.schererville.org/egov/documents/1743542142_80595.pdf).

You can also participate by displaying blue light bulbs in porch lights that are left on throughout the night, Chief Sormaz said.

"This event will be here before you know it so for this reason we are asking for a commitment from interested parties as soon as possible," he said. "This will allow us time to make all the necessary preparations."

## *New playground equipment installed at two parks*

New playground equipment with poured-in-place rubber surfacing was recently installed at both Foxwood North Park and Foxwood South Park. The poured-in-place rubber surfacing provides safer playground experiences for children than other surfaces, said John Novacich, Schererville Parks Superintendent.

Town officials and local residents participated in ribbon-cutting ceremonies held at both parks that are part of the Foxwood Subdivision on Saturday, May 10 to officially open the new playgrounds.

Foxwood North Park, located at Wren Drive and Gull Drive, occupies four acres that include a playground, two tennis courts, a shelter, and a drinking fountain. The tennis courts are lined for pickleball using the tennis nets.

Foxwood South Park at 7500 Starling Drive has 3.6 acres of land that include a playground, two tennis courts, a drinking fountain, and small shelter. The tennis courts here are also lined for pickleball using the tennis nets.

*Foxwood South Park now features new playground equipment with poured-in-place rubber surfacing.*

*Local residents, including children, helped cut the ribbon to officially open Foxwood North Park.*

## *Enjoy Summer Reading activities!*

Summer Reading activities kicked off on June 1 at all Lake County Public Library locations. Participants of all ages are encouraged to register at and record their reading progress using the ReadSquared app. Library staff and volunteers are available to assist with registration and logging.

This year's theme is *Color Our World*. "We invite you to join us for a variety of engaging programs suitable for all ages throughout the summer," said Beth Alyea, Branch Manager of the Dyer-Schererville Public Library branch, located at 1001 W. Lincoln Hwy in Schererville. "Please register for all events of interest to you."

Every Wednesday at 3:00 p.m., there will be programs for children ages 6–12. Highlights include the following:

- A visit from the NWI Challenger Center on June 11
- Swim safety tips from the YMCA on June 25
- An educational session with Indiana Dunes National Park on July 23.

- In addition, library-led art programs will be offered alongside these special events.

There are also several activities designed for teens. On June 16 at 2:00 p.m. teens can participate in an *Escape the Room Mystery Board Game*. *Challenges in MarioKart®* are scheduled for June 30, and *Super Smash Bros®* for July 28—all at 2:00 p.m.. Teens are also invited to express their creativity during the *Heat Shrink Jewelry and Keychain* session on July 10 at 5:30 p.m., and to enjoy the *Bad Art Afternoon* on July 14 at 2:00 p.m.

The Summer Reading program will conclude with the annual visit from the Schererville Fire Department on July 31 at 11:00 a.m.. Please remember to wear sunscreen and bring a towel.

Please call the Dyer-Schererville Library for more information at (219) 769-3541, ext 508. For a complete listing of all summer programs and events, please visit our events calendar at <https://www.lcpln.org/events>.

## 'Never Forget'

On Thursday, September 11, Schererville's 9-11 Memorial service will remember and honor those who died, those who served and those who carry on 24 years after the tragedy that united our nation.

People of all ages are invited to gather from 10 a.m. to 7 p.m. at the town's 9-11 Memorial, located at the corner of Junction Street and Joliet Street near the Schererville Police Department, to walk around the memorial and remember the lives lost on September 11, 2001.

"Never Forget serves as a way to remember and honor the lives lost on 9/11," said Schererville Police Chief Peter Sormaz. This year's memorial service will include members of the 9-11 Committee,

Schererville police officers and Schererville firefighters.

"The Schererville 9-11 Memorial has continued to grow," Chief Sormaz said. "The beam, which is from the Twin Towers in New York City, was erected in 2013. It was donated to the Town of Schererville by the New York Port Authority in 2011."

The memorial's two representative Twin Towers were erected in 2017 with the help of numerous contributions, Chief Sormaz noted, adding, "Each light that shines from the towers' beams represent one of the 2,977 lives lost on that tragic day."

A concrete handicap-accessible sidewalk was constructed around the 9-11 Memorial

in 2022 to allow visitors to view the memorial from all sides, he said.

In addition, the 9-11 Memorial's location at the corner of Junction Street and Joliet Street near the Pennsy Greenway Trailhead provides easy access for those who wish to visit the memorial.

Maintaining the 9-11 Memorial takes a community effort, Chief Sormaz said. Donations to the Schererville 9-11 Memorial help continue its mission of remembrance. Donations of cash or checks can be dropped off at the Schererville Police Department, 25 East Joliet Street.

"Please include a notation that the funds are for the '9-11 Memorial'," Chief Sormaz said.
