## Branch & leaf collections begin in April

Branch and leaf collections in Schererville begin on Monday, April 7. Branch pickups continue through December, weather permitting. Spring leaf collection this year will go through Friday, May 16.

Each week, the route alternates from north to south with U.S. 30 being the dividing line. This year, collections begin south of U.S. 30. Collections on the north of U.S. 30 begin the week of April 14. There is no pickup on the following holidays -- Good Friday, April 18; Memorial Day, Monday, May 26; and Independence Day, Friday, July 4.

On Friday of each week, the Public Works Department concentrates on the streets that require flaggers. These are the main streets where traffic counts and speed limits require extra personnel to assure the safety of the work crews. Residents who live on a flagger street should call the office at (219) 322-6688 when they have placed a pile of branches or leaves along the roadway for pick-up. This helps assure that you do not get missed in a given week.

Flagger streets are as follows: Main Street; Burr Street; Kennedy Avenue (from Junction to Main); Junction Avenue (from Kennedy to Joliet); Joliet Street (east of Austin Avenue); Cline Avenue; St. John Road; U.S. 30; U.S. 41; 77th Avenue and Austin Avenue (south of U.S. 30).

Branches left curbside for pick-up are to be no larger than 6" in diameter. These are the limits of the department's chipping

machines. Branches are to be placed in unidirectional piles in the parkway (grassy area) between the sidewalk and street. Branch piles placed in the street can create a hazard and you could be cited for creating a hazard in the street.

To be assured you get picked-up, have your branches and/or leaves in front of your residence by 7:00 AM on Monday morning of your designated week. **The Public Works Department will go through each neighborhood only once during a given week.**

Branches and leaves are to be placed in the parkway between the sidewalk and street within 5 feet of the street. The department's machines must be able to reach the items or crews will not pick them up. If you do not have a parkway, place them behind the sidewalk or alongside the roadway.

Please do not place leaves and branches in the street. This causes flooding in the streets when they wash down and plug up storm water inlets.

Leaves and branches must be placed in separate piles or they will not be picked up. Two different types of machines are used. Branches plug up the leaf vacuums and leaf piles plug up and dull the branch chipping blades.

For more information, log on to <https://www.schererville.org/egov/apps/document/center.egov>

## Help promote good storm water quality, prevent harmful discharges

Schererville is an MS4 (Municipal Separate Storm Sewer System) community, which means our town has a system including pipes, ditches and swales that collect and carry stormwater runoff directly to local bodies of water **without any type of filtering or treatment**. This means that any substance the runoff picks up, such as oils, fertilizers and trash can pollute our waterways.

"Our town has a direct impact on the health of local waterbodies, including ditches, streams, rivers and even Lake Michigan," said Chad Nondorf, Public Works Director. "There are important ways homeowners can prevent stormwater pollution."

- Sweep up debris, rather than hosing down areas.
- Clean up after your pet and dispose of pet waste in a trash container or toilet. When left outdoors, pet waste contributes bacteria and nutrients to stormwater.
- Cover piles of soil and mulch being used for landscaping projects.
- Prevent debris from entering nearby storm drains when conducting outdoor home improvement or landscaping projects.

- Use a commercial car wash or wash your car on an unpaved surface to reduce the amount of dirty, soapy water entering storm drains and waterways.
- Drain your swimming pool only when a test kit shows non-detectable levels of chlorine and bromine.
- If you have a septic system, have it serviced regularly. Make sure it is **not** connected to the storm sewer or polluting a creek or other body of water.
- Recycle used oil, automotive fluids, batteries and other products. **Don't** dispose of hazardous products in storm drains, alleys or on the ground. This pollutes the drinking water supply.
- Clean up your property. Properly dispose of outdated or unused household chemicals stored in your basement, garage or barn, and **do not** store these materials outdoors.
- Do not store open containers, pails, buckets or pans of oil and chemicals outdoors.
- Reduce the amount of fertilizers, pesticides or other hazardous chemicals that you use. Buy only what you need so that you don't have to dispose of leftovers. Read all the labels and follow directions.

Nondorf added, "If you suspect stormwater issues, illicit discharges or have general inquiries, we can be reached by phone at the Town of Schererville Public Works Department, (219) 322-6688 or via email at [www.publworks@schererville.org](mailto:www.publworks@schererville.org)."

## High school seniors can now apply for Schererville Civic Funds (SCF) educational grants

Applications for the 2025 Schererville Civic Funds Educational Grant are now being accepted from high school seniors graduating with the class of 2025.

The SCF grant provides assistance to students demonstrating financial need and may be applied toward tuition fees at an **accredited college, vocational or technical school**, said Linda Toth, Board Member and Educational Grant Chairperson with Schererville Civic Funds, Inc. Applications must be received by Friday, April 25. Incomplete applications, or applications received by SCF after April 25 will NOT be considered, Toth said.

Grant recipients will be notified by May 21, 2025, she said.

Students meeting the following criteria are encouraged to apply:

- Must be a Schererville resident (within the town limits, but not necessarily having a Schererville address).
- Must be a graduating senior of the class of 2025.
- Must have a cumulative high school grade point

average of 2.0 or better on a 4.0 scale, or the equivalent.

- Must be accepted into an accredited college, technical school, or training program.
- Must be less than 21 years of age on date of application.
- **Must demonstrate financial need.**
- Must NOT be an immediate family member of a SCF board member.

Students must complete and submit a 2025 SCF Educational Grant Application to:

**Linda J. Toth,**  
Educational Grant Chairperson  
Schererville Civic Funds, Inc.  
335 Friar Tuck Drive  
Schererville, IN 46375  
(219) 322-1542

Contact Linda Toth with any questions about the SCF Educational Grant Application. Details and the grant application form are available at the Schererville Civic Funds website [www.scherervillecivicfunds.org](http://www.scherervillecivicfunds.org).

SUNDAY, APRIL 27 10 A.M. TO NOON

SCHERERVILLE COMMUNITY CTR., 500 E. JOLIET ST.

You are cordially invited to Schererville's Mother-Daughter Tea Time! Indulge in a delightful morning of

## Celebrate National Library Week!!

It's time to be "Drawn to the Library" during National Library Week that runs from April 6 through April 12 at the Dyer-Schererville Public Library branch located at 1001 W. Lincoln Hwy in Schererville.

"We will have two 'contests' for our community members to take part in," said Beth Alyea, Branch Manager. "This year -- 2025 -- marks the 100th anniversary of *The Great Gatsby* written by F. Scott Fitzgerald. To celebrate this anniversary, we will have a book cover redesign contest. Drop off your redesigned book covers featuring *The Great Gatsby* at the Dyer-Schererville branch during our open hours - Monday through Friday, 10 a.m. to 8:30 p.m. and Saturday, 9 a.m. to 5 p.m."

Three age groups can participate in this contest, she said. Those include Adults (18 years of age and older); Teens (ages 12-17) and School-Age (Kindergarten through 5th grade). Designs can be hand-drawn, painted or graphic designed, and all designs need to have a physical copy for submission, Alyea noted adding, "Please no AI designs."

An entry form must be included with the name, contact email, phone number and age of the participant. A committee will judge the entries and announce a winner in each category on Monday, April 14. Prizes will include library swag.

"We will also have a Favorite Book to Staff Member Match-Up during this week," Alyea said.

"Fill out the game card trying to match staff members to their favorite book. Please submit the completed cards to the box to be entered for a library swag bag prize," she

noted. "Winners will be picked and notified on April 14. Those with all answers correct will be put into a random drawing to pick a winner."

Other National Library Week events at the Dyer-Schererville branch include the following:

**April 8 6:00pm All Ability: Book Page Wreaths (Ages 18 & older)** This program is for adults with special needs and inclusive to everyone over the age of 18. Registration required.

**April 9 2-5pm Drop-in Poetry Play: Ages 6-18 - National Library Week Celebration** Come and celebrate National Library Week and National Poetry Month by creating a piece of poetry at our drop-in poetry event!

**April 9 5:30-6:30pm Teen Library Olympics: Ages 12-18** Help celebrate National Library Week by competing in fun and whimsical challenges to show off your knowledge of the library! Participants are encouraged to be creative and bend the rules in these tasks inspired by the game show *Taskmaster*. Snacks are provided. Participants are encouraged to check out the Teen Post to gain an advantage in one of the tasks. Please register.

**April 10 3:00pm It All Comes with Your Library Card!** Explore some of our popular digital platforms that are included with your resident LCPL card. We will showcase Kanopy, Hoopla, Libby, Freegal. Bring your devices & library cards! Please register.

Find these and all the Lake County Public Library events at: [www.lcpl.org/events](http://www.lcpl.org/events). Questions can be directed to the Info Desk at the Dyer-Schererville branch, (219) 322-4731.

sipping exquisite teas, savoring delectable treats and creating memories that will last a lifetime! This is an opportunity you won't want to miss! Everyone must have a ticket to attend. **Tickets will not be sold at the door.** Secure your tickets by registering at [www.schererville.org/catalogue](http://www.schererville.org/catalogue).

### MINECRAFT PAINTING CLASS

**SATURDAY, MAY 3 11 A.M. TO 1 P.M.**

**SCHERERVILLE COMMUNITY CTR., 500 E. JOLIET ST.** Calling all crafters and creators! Bring your favorite Minecraft characters and scenes to life in this fun, family-friendly painting class led by Chris Hnatusko. You'll create your own block-tastic masterpiece that's sure to be a hit!

All ages are welcome. It's perfect for families, friends and Minecraft fans of all skill levels! All materials are provided -- just bring your creativity and crafting spirit! This is **NOT** a drop-off event -- it's a great bonding activity for everyone!

Spaces are limited, so grab your spot and let's get creative, block by block! The fee is \$30 for residents/\$38 for non-residents. Register at [www.schererville.org/catalogue](http://www.schererville.org/catalogue).

### HOLLAND TULIP FESTIVAL BUS TRIP

**MONDAY, MAY 5 8 A.M. TO 5 P.M.**

Join Schererville Parks for a breathtaking adventure to the Holland Tulip Festival, a world-renowned celebration of Dutch culture, blooming tulips and festive traditions! This year's trip is on a Monday to avoid the weekend crowds, ensuring a more relaxed experience. We will enjoy traditional performances by Dutch Klompen dancers and wooden shoes, parades, carnival rides, shopping and delicious festival treats. **This trip requires significant walking!**

We will depart from Redar Park parking lot, located at 217 Gregory St. about 8 a.m. and return to the parking lot about 5 p.m. **PLEASE ARRIVE 30 MINUTES BEFORE THE TRIP IS SCHEDULED TO LEAVE TO CHECK IN AND ENSURE WE LEAVE ON TIME!**

Round-trip coach bus transportation is included in the fee of \$50 for residents/\$60 for non-residents. Register at [www.schererville.org/catalogue](http://www.schererville.org/catalogue).

### LASER TAG: NEON APOCALYPSE

**FRIDAY, MAY 9 6-9 P.M.**

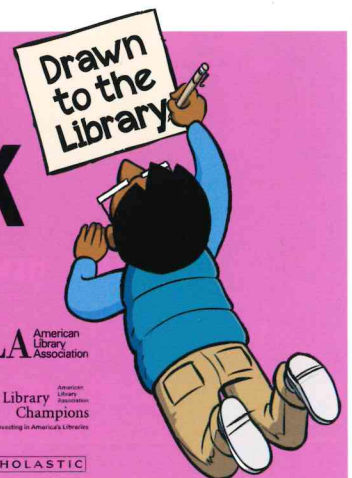

**SCHERERVILLE COMMUNITY CTR., 500 E. JOLIET ST.** Step into the Glow of the End Times! The world as we know it has fallen, and only the strongest will survive the Neon Apocalypse! Mutants, scavengers, and rogue cyborgs roam the wastelands, but in this high-energy laser tag showdown, YOU have the power to take control. Armed with your laser blaster, you'll battle through a pulse-pounding arena filled with glowing ruins, flashing lights, fog-filled battle zone, and electrifying music as you fight to be the last warrior standing.

Will you lead your faction to victory, or will you be left glowing in the wreckage? There's only one way to find out--join us for an epic night of action, strategy, and survival! The fee is \$30 for residents/\$36 for non-residents. Register at <https://secure.recl.com/IN/town-of-schererville-in/catalog>
