Disposal of Latex Paint

Latex paint can be disposed of by mixing it with an absorbent material such as saw dust or cat litter, and leaving it out with your regular trash. It must be dried completely and left with the lid off for the trash hauler to see. If you are a Lake County Resident you may also take latex paint to the Hobart Public Works Department for recycling. They are located at **340 S. Shelby St.**

Oil based paint can be dried out in the same manner but must be taken to a hazardous waste site.

Hazardous Waste Collections are once a month from April thru October. More information can be found at **lcswmd.com**
